

Product and safety information

for changing mat covers with bows

in accordance with the EU General Product Safety Regulation (GPSR)

Intended use

This cover is intended exclusively for use with a matching changing mat. Use it only in the intended size and make sure it sits securely, smoothly and without folds on the changing mat. Bows and straps must only be used as intended and must be securely fastened.

Warnings

01 WARNING – Never leave the child unattended

Never leave your child unattended on the changing mat. Always keep one hand on the child while changing.

02 WARNING – Check the fit

Use the cover only if it matches the size and shape of the changing mat. A cover that is too large, too small or slipped out of place can impair safe use.

03 WARNING – Secure fit required

Make sure the cover sits smoothly, without folds and securely on the changing mat. It must not slip, loosen or create loose fabric folds.

04 WARNING – Secure bows and straps

Ensure that bows and straps are firmly attached and cannot come loose. Loose straps or bows can create entanglement or strangulation hazards.

05 WARNING – Keep straps away from the child

Bows, straps or other longer fabric parts must not come near the child's mouth, nose or neck.

06 WARNING – Check before each use

Check the cover regularly for loose seams, tears, damaged closures, stretched elastics or other damage. Do not use the product if it is damaged.

07 WARNING – Avoid suffocation and entanglement hazards

Loose fabric parts, folds or damaged areas can impair safe use. Ensure that the cover does not cover the child's mouth or nose.

08 WARNING – Keep away from fire and heat sources

Keep the cover away from open flames, candles, radiant heaters and other strong heat sources.

09 WARNING – Not a toy

The cover is not a toy. Do not allow children to play with it unattended.

Care instructions

Wash and care for the cover according to the care label. After each wash, check that bows, straps, seams and fastenings are intact. Use the product again only when it is completely dry and correctly fitted.
