

Product and safety information

for stroller hand muffs

in accordance with the EU General Product Safety Regulation (GPSR)

Intended use

This stroller hand muff is intended as a warming textile accessory for the hands of the person pushing the stroller. Use the product only on the intended handle area and ensure that safe operation of the stroller is not impaired.

Warnings

01 WARNING – Do not impair stroller safety

The stroller hand muff must not block or impair brakes, handle, folding mechanism, steering or other safety-related stroller functions.

02 WARNING – Secure fastening is required

Attach the muff only as intended to the stroller handle. Before each use, check that it is secure and cannot come loose unintentionally.

03 WARNING – Not intended for the child

The stroller hand muff is not intended as a blanket, pillow, footmuff or toy for the child.

04 WARNING – Check small parts and closures

Regularly check snaps, hook-and-loop fasteners, zippers or other fastenings for secure attachment and damage. Loose small parts may be swallowed.

05 WARNING – Keep visibility and operation clear

Ensure that the muff does not restrict the view of the child, safe operation of the stroller or access to brakes and handles.

06 WARNING – Check before each use

Check the product regularly for damaged seams, tears, loose threads, defective closures or other defects. Do not use it if damaged.

07 WARNING – Keep away from fire and heat sources

Keep the stroller hand muff away from open flames, candles, radiant heaters and other strong heat sources.

Care instructions

Wash and care for the stroller hand muff according to the care label. Use it again only when completely dry and securely fastened.
