

# Product and safety information

## for bed guards / bed rails

in accordance with the EU General Product Safety Regulation (GPSR)

---

### Intended use

This bed guard / bed rail is intended as a side fall-prevention aid for suitable children's beds or suitable beds with a compatible mattress. Use the product only in the intended size, in accordance with the assembly instructions and only on a stable, suitable bed frame. The product is not suitable for loft beds, bunk beds, mid-height beds, play beds or other elevated sleeping places. The product is not suitable for children under 36 months. The product does not replace adult supervision. Before use, check that the bed, mattress and bed guard are compatible and can be used together safely.

---

### Warnings

**01 WARNING – Not suitable for loft beds**

This product must not be used on loft beds, bunk beds, mid-height beds, play beds or other elevated sleeping places.

**02 WARNING – Not suitable for children under 36 months**

This product must not be used by children under 36 months. Small children may load the product improperly or pull themselves up on it.

**03 WARNING – Safe assembly required**

Assemble the bed guard only in accordance with the assembly instructions. Before each use, check that all fittings are correctly positioned and that the bed guard is securely attached to the bed.

**04 WARNING – Check mattress and bed construction**

Use the product only with a suitable mattress and a suitable bed. No hazardous gaps must form between the bed guard, mattress and bed in which a child could become trapped.

**05 WARNING – Risk of trapping and entrapment**

Make sure that no body parts, clothing, cords or toy parts can become trapped between the bed guard, mattress and bed frame.

**06 WARNING – Do not use as a climbing aid**

The bed guard is not a toy and not a climbing aid. Children must not climb on it, hang from it or place improper loads on the product.

**07 WARNING – Use only under appropriate supervision**

Regularly check whether the product is still suitable for the child's age, size, sleeping behaviour and level of movement.

**08 WARNING – Keep away from fire and heat sources**

Keep the product away from open flames, radiant heaters, candles and other strong heat sources.

**09 WARNING – Do not use damaged products**

Do not use the bed guard if any parts are broken, loose, deformed, damaged or incomplete. Check the product regularly to ensure it remains safe to use.

**10 WARNING – Indoor use only**

The product is intended for indoor use. Protect it from moisture, wet conditions and prolonged direct sunlight.

---

### Care instructions

Clean the product with a dry or slightly damp cloth. Do not use aggressive cleaning agents. Regularly check all edges, connections and fastening points. Tighten loose connections. Stop using the product if safe use can no longer be guaranteed.
