

Product and safety information

for changing pads

in accordance with the EU General Product Safety Regulation (GPSR)

Intended use

This changing pad is intended for short-term use while changing a child on a suitable, stable and level surface. Use the product only for its intended purpose and ensure that it lies securely.

Warnings

01 WARNING – Never leave the child unattended

Never leave your child unattended on the changing pad. Stay directly with the child throughout use.

02 WARNING – Risk of falling

The changing pad does not protect against falls. Use it only on a stable, level and sufficiently large surface. It must not slip or extend beyond the surface.

03 WARNING – Use only on a safe surface

Do not use the product on unstable, sloping, slippery or too small surfaces.

04 WARNING – Check before each use

Check the product regularly for damage, tears, loose seams, loose threads, deformation or other defects. Do not use the product if it is damaged.

05 WARNING – Avoid suffocation hazards

Ensure that the product does not cover the child's mouth, nose or face and does not impair breathing.

06 WARNING – Keep away from fire and heat sources

Keep the product away from open flames, candles, radiant heaters and other strong heat sources.

07 WARNING – Not a toy

This product is not a toy. Do not allow children to play with it unattended.

Care instructions

Clean and care for the changing pad according to the care label or product description. Allow the product to dry completely before using, folding or storing it again.
