

Product and safety information

for changing table rolls

in accordance with the EU General Product Safety Regulation (GPSR)

Intended use

This changing table roll is intended for use in the changing area as a textile accessory or support in the intended application. Use the product only for its intended purpose and ensure safe positioning.

Warnings

01 WARNING – Never leave the child unattended

Never leave your child unattended in the changing area. Stay directly with the child throughout use.

02 WARNING – Secure positioning is required

Ensure that the changing table roll is positioned securely and cannot slip. The product must not impair the safe use of the changing surface.

03 WARNING – Do not use as fall protection

The changing table roll does not replace supervision and does not reliably protect against falls. Use it only together with a safe changing situation.

04 WARNING – Check before each use

Check the product regularly for loose seams, tears, damaged fabric areas, loose threads or other defects. Do not use it if damaged.

05 WARNING – Avoid suffocation and entanglement hazards

Ensure that the product does not cover the child's mouth or nose and that no fabric parts can wrap around the child's neck or body.

06 WARNING – Keep away from fire and heat sources

Keep the product away from open flames, candles, radiant heaters, gas heaters and other strong heat sources.

07 WARNING – Not a toy

This product is not a toy. Do not allow children to play with it unattended.

Care instructions

Wash and care for the changing table roll according to the care label. Use it again only when it is completely dry and correctly positioned.
