

Product and safety information

for wall-mounted shelves

in accordance with the EU General Product Safety Regulation (GPSR)

Intended use

This wall-mounted shelf is intended for storing light items on a suitable wall or stable mounting surface. Use the product only in accordance with the assembly instructions and only for its intended purpose.

Warnings

01 WARNING – Secure wall mounting is required

Mount the shelf only on a suitable, load-bearing wall or mounting surface. Use mounting material suitable for the wall type.

02 WARNING – Prevent falling

Incorrect assembly may cause the shelf to fall. Before use, check that the shelf is firmly and securely mounted.

03 WARNING – Do not mount above sleeping or changing areas

Do not mount the shelf in places where it could endanger a child if it falls or if objects fall from it.

04 WARNING – Observe load limits

Do not exceed the stated maximum load. Overloading may cause damage, instability or falling.

05 WARNING – Check fastenings regularly

Regularly check screws, wall plugs, brackets and other fastenings. Retighten loose connections if necessary.

06 WARNING – Keep small parts and packaging away

The product may contain small assembly parts. Keep small parts and packaging material away from children, as they may pose a choking hazard.

07 WARNING – Do not use damaged parts

Do not use the shelf if parts are damaged, loose or missing. Replacement parts may only be obtained from the manufacturer.

Care instructions

Clean the product with a dry or slightly damp cloth. Do not use aggressive cleaning agents. Regularly check the mounting and the condition of the product.
