

Product and safety information

for storage shelves

in accordance with the EU General Product Safety Regulation (GPSR)

Intended use

This storage shelf is intended for storing light items in a child's room or living area. Use the product only in accordance with the assembly instructions and only for its intended purpose.

Warnings

01 WARNING – Risk of tipping

The shelf may tip over if it is not set up or secured properly. Make sure it stands safely and stably.

02 WARNING – Correct assembly is required

Assemble the shelf only in accordance with the enclosed assembly instructions. Incorrect assembly may create safety risks.

03 WARNING – Check fastenings regularly

Regularly check that screws, connections and fastenings are secure. Retighten loose assembly parts if necessary.

04 WARNING – Observe load limits

Do not overload the shelf. Distribute items evenly and make sure heavy items do not make the shelf unstable.

05 WARNING – Keep small parts and packaging away

The product may contain small assembly parts. Keep small parts and packaging material away from children, as they may pose a choking hazard.

06 WARNING – Do not climb or hang on it

Children must not climb on the shelf, pull themselves up on it or hang from it.

07 WARNING – Do not use damaged parts

Do not use the shelf if parts are damaged, loose or missing. Replacement parts may only be obtained from the manufacturer.

Care instructions

Clean the product with a dry or slightly damp cloth. Do not use aggressive cleaning agents. Regularly check the shelf for damage and stable standing.
