

Product and safety information

for changing table toppers

in accordance with the EU General Product Safety Regulation (GPSR)

Intended use

This changing table topper is intended exclusively for use on a suitable, stable piece of furniture. Use the product only in accordance with the assembly instructions and only for its intended purpose.

Warnings

01 WARNING – Never leave the child unattended

Never leave your child unattended on the changing table topper. Always keep one hand on the child during use.

02 WARNING – Correct assembly is required

Assemble the changing table topper only in accordance with the enclosed assembly instructions. Incorrect assembly may create safety risks.

03 WARNING – Check the fastenings regularly

Tighten all assembly parts securely and regularly check that screws, connections and fastenings are firmly in place.

04 WARNING – Use only on suitable furniture

Use the topper only on a stable, level and sufficiently load-bearing piece of furniture. The furniture must stand securely and must not wobble or tip.

05 WARNING – Observe the maximum weight

Use the product only up to the maximum weight stated in the product description or assembly instructions.

06 WARNING – Do not use damaged parts

Do not use the product if parts are damaged, loose or missing. Replacement parts may only be obtained from the manufacturer.

07 WARNING – Keep away from heat sources

Keep the product away from open flames, radiant heaters, gas heaters and other strong heat sources.

Care instructions

Clean the product with a dry or slightly damp cloth. Please observe any additional care instructions on the product or in the product description.
